

8th International Workshop on Multiple Criteria Decision Making '19, 7-9 April, 2019, Ustron, Poland.
<http://www.iwomcdm.ue.katowice.pl/index.php?page=conference>

Scientific Committee, Chair: Tadeusz Trzaskalik (,University of Economics in Katowice, Poland)
Secretary: Jerzy Michnik (University of Economics in Katowice, Poland). Organizing Committee, Chair:
Tomasz Wachowicz (University of Economics in Katowice, Poland).

Sponsor: The Euro Centrum Science and Technology Park (<http://www.euro-centrum.com.pl/>)

IWoMCDM papers are published in the Multiple Criteria Decision Making journal (MCDM) (<http://www.mcdm.ue.katowice.pl/>) after being accepted in the double-blind reviewing process. The journal is issued annually by The Publisher of the University of Economics in Katowice.

Conference fee: 300 EUR

Dates

Registration:25.01.2019; Abstract submission: 28.02.2019; Presentation approval: 10.02.2019; Full paper submission: 30.04.2019; Fee due date (from/to): 13.12.2018 - 25.03.2019.

Past events: IWoMCDM has been organized since 2005 and accompanies the domestic conference on *Preference Modeling and Risk*. In both events more than 100 participants usually take part, which gives an opportunity to discuss and solve scientific problems in a circle of professionals or start the cooperation and joint future research. The conference venue is in Ustroń, a nice small town at the foot of Beskid Mountains, giving opportunity for recreation during free time.
